**Together we...**

9/12/14

Dear parents/carers

Towers, Tunnels and Turrets

After the Christmas holidays our topic will be "Towers, Tunnels and Turrets", a project that focuses on Fairy Tales and castles! We are really excited about this project and have lots of fun ideas to learn and explore!

During the first week we will be having a Fairy Tale dress up day, where your child is welcome to come into school as their favourite Fairy Tale character! This event will be held on Tuesday 6<sup>th</sup> of January.

The Phoenix Suite are also planning to visit Nottingham Castle on Wednesday 21<sup>st</sup> of January. The experience that we will be undertaken "Castle Journey". It will focus on using senses, imagination and role-play, to gain an understanding of the structure of a castle and what castle life was like in the past. After the holidays we shall be sending a more detailed letter about this trip.

Please find on the back of this letter the topic map of "Towers, Tunnels and Turrets"

Thank you for your continued support,

Cheryl Pearson

Jonathan Price
