

Dear Parents/Carers

4th November 2014

As part of our exciting new topic 'Stargazers', the year 5/6 classes have planned two exciting events. **On Friday 7th November, a mobile planetarium will be coming to school.** Each class will get a 50 minute session in the planetarium learning about how Greek Myths were linked to the constellations. This links to our literacy this half term.

On Tuesday the 25th November we have planned for all the year 5/6 classes to go to **the National Space Centre in Leicester.** As part of the visit, the children will take part in a rocket building workshop. This will provide them with the key skills needed to enjoy our Innovate week.

The cost of the two events, including coach travel, comes to £25 per child. **However, school will subsidise the cost of the trip and so we are asking for a contribution of £15 per child.**

For the trip to the Space Centre on 25th November, Children will need to arrive at school by **8:40am** and they will be returning at approximately **4:30pm.**

They will need a packed lunch (no fizzy drinks or sweets please), sensible walking shoes and a rainproof coat. There may be an opportunity to spend money in the shop, but if you send money in with your child, they will be responsible for looking after it.

Yours faithfully

Yr5/6 Team (Mrs Hall, Mr Harton, Miss Stanway, Mrs Price, Miss Sims)

To: Class Teacher

I give permission for my child _____ Class _____ to attend the planetarium event on Friday 7th November and visit the National Space Centre on 25th November and enclose my contribution of £15.00

My child is allowed to walk home from school alone on Tuesday 25th November

I will collect my child from school on Tuesday 25th November

Signed _____
